DEWAN'S OFFICE 9 JAN 1929 Memo No 475

2784 L

General Secretary

The need for a drainage project for the Nandi village which is an important village with a population of 1 000 was pressed on me It was stated that a suitable project embracing only the main road would cost Rs 2 000/- of which a -- moiety would be met by the Village Panchayet and a request was made for a contribution from the Rural Reconstruction Fund Nandi is a model village which is maintained in a neat and tidy condition --- through the exertions of the villagers themselves and deserves consideration from Government The Executive Engineer -- Sanitary Division and Mr G H Krumbiegel may be requested to jointly inspect the village and suggest a suitable and less expensive project when the question of making a grant for the work may be considered

Sir,

~2784 dated 22/29

Adverting to your No L 1698/I L 201-28-2, in respect of preparing a suitable and cheap drainage project for the Nandi Village, Chickballapur Taluk, I have the honour to state that in the absence of correct survey map of the above said village, a rough sketch of the place including levels has been prepared and on the basis of rough sketch specially prepared for that, a cheap scheme has been arrived at and enclosed herewith together with the necessary report The amount of estimate comes to only - Rs 1,235/- and this estimate is prepared so as to suit the - - finances of the Village Panchayet

I may here add, that it would be desirable for the Village Panchayet to consult this Department at the time of execution when a subordinate from this department will be sent to give instructions as to the line, level &c , of the drain
